J. S. MILLER DEAD

WAS WELL KNOWN FARMER IN NODAWAY COUNTY.

PNEUMONIA WAS CAUSE

Died at 7 o'Clock Tuesday Morning—No Funeral Arrangements Have Been Made.

John S. Miller, well known farmer, living in the Rockford neighborhood, southwest of Maryville, died at 7 o'clock Tuesday morning of pneumonia, with which he was taken less than a week ago. He had been afflicted for several years past with asthma, and he was in no condition to resist pneumonia, although he was otherwise a large, strong man. Mr. Miller's death had been expected for three days, and the children were all with their mother when he passed away excepting those in the west.

The funeral arrangements have not yet been made.

Mr. and Mrs. Miller were preparing to move to Maryville the first of March. They purchased some months ago the residence of John J. Wells, on South Fillmore street, and were having many improvements made.

Mr. Miller was born in Athens county, Ohio, August 4, 1847, and was the son of Daniel D. and Sarah (Bodwell) Miller. He was reared on the parental farmstead, where he lived until his marriage at the age of 22 years. He then settled on a farm in Athens county, where he lived until December, 1874, when he came to Nodaway county, locating in Hughes township, where he spent the two following years. He then moved to Polk township and soon afterward bought ninety acres of land there, on which he settled and where he had resided. Mr. Miller was a stock raiser and took a justifiable pride in raised and took a justifiable pride in his efforts to raise the quality of farm animals and he accomplished much along this line.

November 15, 1868, Mr. Miller was married to Sarah Jane Angell, who was born in Athens county, Ohio, April 13, 1846. Nine children were born to them, namely: Cora C., the wife of W. R. Phillips of the state of Washington; Fred D., a farmer near Barnard; Imlah D. of Emporia, Kan.; Carl C., who died in infancy; Gladys B., the wife of John R. Evans of near Maryville; Daniel D., who resides at home; Mattie May, who was the wife of H. M. Dorman, died in the state of Washington, April 4, 1908; Arthur S. of Washington; William Albert, died August 20, 1898, at the age of 20 years.

Mr. Miller took a keen interest in public affairs, and held the offices of justice of the peace for two terms and road overseer for many years, performing the duties of these offices to the entire satisfaction of his fellow citizens. He also served over twenty years as postmaster, the office being known as Hughes postoffice. He gave it up when the rural delivery was established and the office was discontinued. He was an active member of the Missionary Baptist church.

FREE SCHOOL BOOKS.

School Board Will Consider New Law Provision by Last General Assembly for Maryville Voters.

The board of education for the Maryville public schools will, at its next meeting, consider the matter of free text books in our schools, as provided for by the last general assembly.

The board will decide whether to submit the matter to the voters of the Maryville district. The plan is heartily endorsed by State Superintendent Evans.

The present revenue from the district will nearly supply the first four grades in the schools with free books and supplies for two years, and then other grades may be added.

The plan has been adopted in the Chillicothe schools and Superintendent Coburn believes it will be a success.

The proposition for free text books may be voted on the same as any other school proposition.

LOST BY 19 VOTES

CONSOLIDATION DEFEATED IN THE HARMONY COMMUNITY.

ELECTION HELD MONDAY

Quite a Campaign Was Made for the Proposed Move—The Vote Was 44 For to 63 Against.

The consolidation of the school districts of Casteel, Excelsior, Champaign, Moore, Wilcox, and part of Hickory Grove, in the Harmony community, was defeated Monday afternoon at the special election by 19 votes. The vote was 44 for and 63 against.

The election was held at the Harmony church, and Reuben Swain was chairman of the meeting, Dale Rhodes the secretary, and Roy Wells and Leonard King tellers.

Quite a campaign was made for the consolidation of the districts, and State Superintendent W. P. Evans of Jefferson City and J. Kelley Wright of the state board of agriculture made speeches for the proposed move in that community. There was some opposition, but the matter was fairly fought. The reasons given for the defeat are the lack of understanding of the proposition by the voters and their conservatism.

Thanks for the Papers.

We, the pastors of the churches cooperating in the missionary conference, wish to express our appreciation of the service rendered by the papers of our city. The conference was given "front page" publicity for two weeks previous to the time of the meeting, and we feel that the success thereof is in a large measure due to the good will and good work of our two papers. We therefore take this means of indicating our gratitude.

WRITES ABOUT J. R. BRINK.

What a St. Joseph Paper Says About Him Entering the Ranks of Educators.

The following is from today's St. Joseph Gazette:

We always suspected from the careful and uncomplaining manner in which our old friend and esteemed fellow co-worker in the task of looking into the future, J. R. Brink of merry Maryville, forecasted rain or snow when there chanced to be nothing but fair weather in the vicinity that he would one of these days ally himself quite naturally with the persevering teaching profession. And now J. R. has gone and done it. We are glad to see him entering the ranks of the educators, too, for there is where Brother Brink belongs. Didn't he for years train the men, matrons, maids and cigaret smokers of merry Maryville in the act of accepting whatever weather came along without making any unnecessary objections? Was he ever known to show exasperation when, after predicting that fair and warmer would be the climatic menu for the forthcoming twenty-four hours, a day and night of clouds and chilly weather resulted? No, J. R. is a jewel. He gave the Maryvillians the best weather that was to be had, and he didn't go around bragging when he hit it right in his forecasts, nor blaming the folks at Washington when they sent something he hadn't counted on. Sure he belongs in the ranks of pedagogy, and there's where he's gone. We look for him to be just as big a success at handling those Normal school students as he always was in taking care of a blizzard that came carroming along from the northwest, or a cold wave that squatted down on the Nodaway county cherry trees when May weather was what they needed. And if the future pedagogues and pedagoguesses at the State Normal of merry Maryville don't treat the new professor's professions with the respect and confidence which they deserve, we shall welcome Brother Brink back to the bosom of the weather busters, where he won his first spurs and a boot or two, too.

Bumped by a Basket Ball.

While watching a practice game of basket ball at the high school Tuesday morning Dean Everhart received a cut on one side of his head when the ball went through the glass door through which he was looking, a point of the broken glass puncturing a small artery. The flow of blood made his injury look much more serious than it was. He was rushed to a physician and was soon fixed up good as new. A screen will be placed over the glass door hereafter. Harry Siler, who was standing near Dean received a few slight cuts on his face.

Drive Fence Troubles Off the Farm

No Fence Outlasts the Post

And the day of the wood post is past.

Steel Fence posts are frost proof and weather proof. They won't break or bend out of shape. Vermin can't damage them. Weeds and rubbish can be burned along fence. They are elastic, indestructible and last a lifetime. They stop all post expense.

Apex Steel Fence Posts

are the best fence post bargains, because they are made of high carbon angle steel, the toughest and most elastic metal for the purpose.

Cost no more than cedar posts, if you count cost of setting and tamping wood posts, and last four times as long.

The only post for replacing wood posts in a line of woven fence, because they can be driven right down beside the fence and save the ugly job of digging holes in such places.

The best, because made by practical fence men who know the business, and made right.

Let us show you the post and talk it over.

LAXATIVE FOR OLD PEOPLE—"CASCARETS"

Salts, Calomel and Pills Act on Liver and Bowels Like Pepper Acts in Nostrils—Danger!

Get a 10-cent box now.

Most old people must give to the bowels some regular help, else they suffer from constipation. The condition is perfectly natural. It is just as natural as it is for old people to walk slowly. For age is never so active as youth. The muscles are less elastic. And the bowels are muscles.

So all old people need Cascarets. One might as well refuse to aid weak eyes with glasses as to neglect this gentle aid to weak bowels. The bowels must be kept active. This is important at all ages, but never so much as at fifty.

Age is not a time for harsh physics. Youth may occasionally whip the bowels into activity. But a lash can't be used every day. What the bowels of the old need is a gentle and natural tonic. One that can be constantly used without harm. The only such tonic is Cascarets, and they cost only 10 cents per box at any drug store. They work while you sleep.—Advertisement.

The Music Club.

Mrs. Roy Collins was hostess Monday afternoon for the Music department of the Twentieth Century club. Miss Brownie Toel, vice chairman, conducted the business session, after which the following program was given:

Sketch, Life of Sherwood—Mrs. W. M. Wallis, Jr.

Piano selection, "Idyll," Sherwood—Miss Eleanor Smith.

Sketch, Life of DeKoven—Mrs. Glenn Goff.

Vocal selection, "A Winter Lullaby," DeKoven—Mrs. H. L. Raines, accompanied by Miss Smith.

Woman's Clubs as a Factor in the Advancement of Music—Mrs. Roy Collins.

Vocal selections, "Japanese Lullaby" and "The Ferry for Shadow Town," DeKoven—Mrs. Harry Todd, accompanied by Miss Smith.

Piano duet, "Xmas Dance," Sherwood—Misses Koch and Reuillard.

Vocal selection, "O Promise Me," DeKoven—Miss Jennie Garrett, accompanied by Mrs. Townsend.

After the program a social hour was enjoyed while the hostess served a cup of tea.

Renewed Old Friendships.

From the Deaver, Colorado, society columns of a few days past, we find gleanings of recent social events, complimentary to Mrs. Ferdinand Townsend of this city, who has recently returned from her visit there with her parents, Mr. and Mrs. Henry Bohm. One of the complimentary notices said: "Mrs. Ferdinand Townsend's arrival in Denver was the cause of activity in society. After the Christmas rush everyone seemed willing to settle down to hum-drum existence, broken only now and then with an occasional tango. With the coming of Mrs. Townsend, who, when she was Miss Lillian Bohm, was beloved by maids and matrons alike, the aspect changed and party after party had a place on the calendars of her friends. Her mother, Mrs. Henry Bohm, gave one of the most elaborate receptions of the season at El Jebel temple in her honor, where palms, ferns, Southern smilax and flowers of many hues were used for decoration. Six hundred maids and matrons called to meet Mrs. Townsend, and altogether was a brilliant assemblage. Then the other parties and bridge-luncheons by Mrs. James C. Burger, Mrs. E. L. Prentiss and Mrs. Roland G. Parvin, and other well known Denver hostesses, were all exceptionally attractive. At Mrs. Parvin's affair Mrs. Townsend shared the honors with Mrs. Walter G. Schaeffer, of Kansas City. It was given at the Denver Athletic Club." A theatre note in another issue was also of a kind that would be appreciated by Maryville friends of Mrs. Townsend. It reads: "The Broadway was packed from pit to dome last evening for "The Firefly." Mrs. Ferdinand Townsend of Maryville, Mo., looked as delicately beautiful as a cleverly wrought cameo in her seat in the John Good box. Her hair, which is the color of ripening wheat, was waived and coiled in Priscilla fashion. Her gown was of white, sparkling with crystals. Around her shoulders was thrown a wrap of deepest Killarney pink broadcloth trimmed with ermine. Miss Catherine Cramer wore a violet gown of the exact hue of the Parma violet. It was made along cleverly draped lines which gave a suggestion of the princess frock. The bodice was entirely of white lace."

Mrs. Townsend's visit in Denver was delightful in every way. During the horse show, where Mr. Townsend acted as a judge, when society affairs were comparatively quiet, she was the honor guest of two parties, one having 100 guests.

The Fete of Months.

The women of the City Federation made their most successful effort with the festival they gave, "The Fete of Months," in the Borrusch building Saturday afternoon and evening. They were almost overwhelmed with the patronage they received in the evening, and they were taxed to their utmost to serve all who came. They took in the handsome sum of $178.

The idea of the fete of months was given to the women by Miss Bertha Beal, who had attended such a festival on one of her trips in the south. The different clubs took up with the idea at once and it was indeed remarkable what was accomplished in the few days the women had to prepare for it.

The P. E. O. chapter had two booths, representing the months of January and September. The January booth was quite elaborate. One could easily imagine themselves in a fair snow palace, for it sparkled like diamonds over and all around, and you stood in crunching, sparkling snow when you went in for your lunch—if you were born in January—of baked beans, brown bread and waffles. The lights were hooded in pale blue shades, and the scene was just like a brilliant moonlight winter night. The tables wore lovely coverings of white and were lighted by pale blue candles in shades and the flowers were white narcissus. Mrs. M. G. Tate had charge here, and she was assisted by Mrs. Fannie Hope, Miss Nelle Conrad, Mrs. Arthur Leet and Mrs. O. C. Hanna. The September booth was elaborately hung with grape vines, laden with rich purple fruit. The interior was adorned with university pennants from almost everywhere, for this month is the beginning of the school year, you know. You had salad and wafers here, and Mrs. J. D. Richey, Mrs. J. C. Allender, Mrs. N. C. Covey, Mrs. Charles Wadley and Misses Hettie and May Anthony.

The Mothers' Circle had three booths, February, October and December. The February booth was suggestive of St. Valentine's day, and was very pretty in its red and white hearts. Sandwiches and coffee were served here, with Mrs. W. H. Allen in charge. October was suggestive of All Hallowe'en, with its black cats, witches and jack-o'-lanterns. Lovely doughnuts and coffee were served here by Mrs. D. E. McDonald, Mrs. May Denny, Mrs. Eugene Ogden and Mrs. George Moore. The December booth was lovely in decorations of immense poinsettas, Christmas bells and green. The best of pie was served here by Mrs. Charles Gaugh, Mrs. L. L. Maier, Mrs. J. W. Herndon and Mrs. John Price.

The Music department of the Twentieth Century club, of which Mrs. Oliver K. Bovard is chairman, had the April and May booths in charge. The April booth consisted of open umbrellas suspended overhead, covered with powdered isinglass that looked for all the world like raindrops. Rubbers in all sizes, for the wee one in the family up to father, were arranged around ready for the first shower. Tea and wafers were served here by Misses Brownie Toel, May Corwin, Martha Koch, Marie Reuillard, Cecil Benight, Eleanor Smith, Mrs. Glenn Goff and Mrs. T. L. Wilderman. The May Boo[illegible] was a delightful place. It was a perfect bower of [illegible] full bloom and Easter lilies. "Spring Maid Salad" and wafers were served here by Mrs. William Wallis, Jr., and her sister, Mrs. Walker Lee Campbell of Portland, and Miss Jennie Garrett.

The Tourists had a charming booth for March, which was made to represent "St. Patrick's day in the morning," with its decorations of green and white, the shamrock and other emblems making a place so realistic one wanted to greet the ladies there with a "top of the mornin' to you." Bouillon and wafers were served here by Mrs. W. H. Crawford, Mrs. Emmett Scott, Mrs. A. A. Brewer, Mrs. Earl Baker, Miss Helen Leffler, Miss Jessie Parcher, Mrs. S. G. Gillam and Mrs. Beal Roseberry.

June was a lovely pergola, instead of a booth. It was the real article, too. Morning glories climbing up white columns and baskets of red roses hanging from the vine covered cross beams. This was the idea of the Arts and Crafts department. You were invited to have some candy while you stopped to enjoy the breeze here on a perfect day in June. The hostesses were Mrs. George Richard Eaton, Mrs. Roy Collins, Mrs. J. F. Colby, Miss Rena Sturm and Miss Laura Barmann.

The July booth was attractively enclosed with bunting and flags and represented the Fourth of July. Ladies of the Shakespearean department served here. They were Miss Lenore Schumacher, Mrs. Ferdinand Townsend, Mrs. George Robert Eaton, Miss Della Grems, Mrs. Herbert Langsdorf, Mrs. Gallatin Craig, Mrs. J. S. Shinabargar, Mrs. L. E. White.

The August booth was a most inviting place for one who wanted to play or rest. There were hammocks and every suggestion for sport.

They were Misses Marie Brink and Clara Sturm, Mrs. Dale Bellows and Mrs. C. C. Hellmers. You were served a bottle of grape juice on a cut glass salver from a tennis racket. This was the booth of the general club, with Mrs. George P. Bellows as chaperon.

The M. I. Circle had the November booth, in which corn stalks and pumpkins and autumn leaves played a prominent part in the make-up. It was the most popular place of the evening, and every member seemed to be working. Hot waffles and maple syrup, the [illegible] were served.

The general reception committee for the fete was composed of Mrs. L. H. Dean, Mrs. R. L. McDougal, Mrs. J. F. Montgomery, Mrs. J. W. Ray, Mrs. E. B. Sheldon, Mrs. Frank Garrett, Mrs. J. D. Frank, Mrs. William Everhart, Mrs. F. P. Robinson, Mrs. J. B. Robinson, Mrs. Joseph Jackson, Jr., Mrs. G. L. Wilfley.

The ladies in charge of the checking booth for coats and hats for the gentlemen callers were Mrs. C. S. Jackson, Mrs. R. C. Benight, Mrs. Scribner Beech, Sr., Mrs. Scribner Beech, Jr., Mrs. J. A. Ford, Mrs. J. H. Gray, Mrs. J. A. Lesh, Mrs. Harry [illegible] ron Rhoades.

Words of Praise
For *Mayr's Wonderful* Stomach Remedy

"How thankful we are to you for getting a hold of your wonderful Remedy. My wife could not have had but a short time to live if she had not taken your Wonderful Remedy when she did. One more of those paroxysm pains she was having would have killed her without a doubt. Now she is free from all pain, free from heart trouble and free from that disturbing Neuralgia—all the results of five treatments—and the expulsion of five or six hundred Gall Stones. Now she is able to eat anything she wants and her appetite is good and before taking your medicine she had no appetite and when she ate anything she would suffer death for so doing and could not sleep at night; since taking your treatment she sleeps well all night long. T. A. NEALL, Roanoke, Texas."

The above letter should convince you more than anything we could say in behalf of **Mayr's Wonderful Stomach Remedy.** Sufferers should try one dose of this Remedy—one dose should convince them that they can be restored to health. Nearly all Stomach Ailments are caused by the clogging of the intestinal tract with mucoid and catarrhal accretions allowing poisonous fluids into the Stomach and otherwise deranging the digestive system. **Mayr's Wonderful Stomach Remedy** painlessly removes these accretions without a surgical operation and puts an end to Colic Attacks, Gases in the Stomach and Intestines and all of the usual symptoms of Stomach, Liver and Intestinal Ailments. Ask your druggist about **Mayr's Wonderful Stomach Remedy** or send to Geo. H. Mayr, Mfg. Chemist, 154 Whiting St., Chicago, Ill., for free booklet on Stomach Ailments and many grateful letters from people who have been restored.

We desire in this public way to express our grateful appreciation of the kindness shown us through the long sickness and at the time of the death of our dear wife and mother. To you who have helped us in any way to care for our dear one and to the great company whose presence at the funeral helped us to bear our loss, we are grateful beyond the power of expression. Especially to the Brotherhood of Owls, the Bricklayers' union and the young ladies' class of the Baptist church are we indebted for their attendance and loving regard at the time of the funeral. J. S. MILLER DEAD

WAS WELL KNOWN FARMER IN NODAWAY COUNTY.

PNEUMONIA WAS CAUSE

Died at 7 o'Clock Tuesday Morning—No Funeral Arrangements Have Been Made.

John S. Miller, well known farmer, living in the Rockford neighborhood, southwest of Maryville, died at 7 o'clock Tuesday morning of pneumonia, with which he was taken less than a week ago. He had been afflicted for several years past with asthma, and he was in no condition to resist pneumonia, although he was otherwise a large, strong man. Mr. Miller's death had been expected for three days, and the children were all with their mother when he passed away excepting those in the west.

The funeral arrangements have not yet been made.

Mr. and Mrs. Miller were preparing to move to Maryville the first of March. They purchased some months ago the residence of John J. Wells, on South Fillmore street, and were having many improvements made.

Mr. Miller was born in Athens county, Ohio, August 4, 1847, and was the son of Daniel D. and Sarah (Bodwell) Miller. He was reared on the parental farmstead, where he lived until his marriage at the age of 22 years. He then settled on a farm in Athens county, where he lived until December, 1874, when he came to Nodaway county, locating in Hughes township, where he spent the two following years. He then moved to Polk township and soon afterward bought ninety acres of land there, on which he settled and where he had resided. Mr. Miller was a stock raiser and took a justifiable pride in raised and took a justifiable pride in his efforts to raise the quality of farm animals and he accomplished much along this line.

November 15, 1868, Mr. Miller was married to Sarah Jane Angell, who was born in Athens county, Ohio, April 13, 1846. Nine children were born to them, namely: Cora C., the wife of W. R. Phillips of the state of Washington; Fred D., a farmer near Barnard; Imlah D. of Emporia, Kan.; Carl C., who died in infancy; Gladys B., the wife of John R. Evans of near Maryville; Daniel D., who resides at home; Mattie May, who was the wife of H. M. Dorman, died in the state of Washington, April 4, 1908; Arthur S. of Washington; William Albert, died August 20, 1898, at the age of 20 years.

Mr. Miller took a keen interest in public affairs, and held the offices of justice of the peace for two terms and road overseer for many years, performing the duties of these offices to the entire satisfaction of his fellow citizens. He also served over twenty years as postmaster, the office being known as Hughes postoffice. He gave it up when the rural delivery was established and the office was discontinued. He was an active member of the Missionary Baptist church.

Opera House for Quitman.

The Woodmen hall at Quitman is being remodelled into a nice little opera house, and it will not be long until reports of theater and opera parties will be all the go there, and the monotony of social life will be somewhat relieved.

George W. Neal of Cedar Rapids, Ia., who has been here to close up the business attending the sale of his farm, near Pickering, to George Loch, will return home Wednesday.

TO BE TAKEN TO THE PEN.

Sheriff Wallace to Take Vessie Walker and Fred Litten—Wm. Gunn to the Reform School.

Sheriff Ed Wallace and Deputy J. L. Porter will leave Wednesday morning with Fred Litten and Vessie Walker for Jefferson City, where Litten will serve two years in the pen and Walker three years. Wm. Gunn, a colored boy, will be taken at the same time to the reform school at Boonville, where he will serve four years. All of the prisoners were convicted at the recent term of circuit court on charges of forgery.

FREE SCHOOL BOOKS.

School Board Will Consider New Law Provision by Last General Assembly for Maryville Voters.

The board of education for the Maryville public schools will, at its next meeting, consider the matter of free text books in our schools, as provided for by the last general assembly.

The board will decide whether to submit the matter to the voters of the Maryville district. The plan is heartily endorsed by State Superintendent Evans.

The present revenue from the district will nearly supply the first four grades in the schools with free books and supplies for two years, and then other grades may be added.

The plan has been adopted in the Chillicothe schools and Superintendent Coburn believes it will be a success.

The proposition for free text books may be voted on the same as any other school proposition.

LOST BY 19 VOTES

CONSOLIDATION DEFEATED IN THE HARMONY COMMUNITY.

ELECTION HELD MONDAY

Quite a Campaign Was Made for the Proposed Move—The Vote Was 44 For to 63 Against.

The consolidation of the school districts of Casteel, Excelsior, Champaign, Moore, Wilcox, and part of Hickory Grove, in the Harmony community, was defeated Monday afternoon at the special election by 19 votes. The vote was 44 for and 63 against.

The election was held at the Harmony church, and Reuben Swain was chairman of the meeting, Dale Rhodes the secretary, and Roy Wells and Leonard King tellers.

Quite a campaign was made for the consolidation of the districts, and State Superintendent W. P. Evans of Jefferson City and J. Kelley Wright of the state board of agriculture made speeches for the proposed move in that community. There was some opposition, but the matter was fairly fought. The reasons given for the defeat are the lack of understanding of the proposition by the voters and their conservatism.

Nicholas and S. P. Huston, who will go with them to the Valentine valley, where their land lies.

FREYTAG IS P. M. AT ST. JOSEPH.

St. Joseph Newspaper Man Selected for That Position by Congressman Booher.

Congressman Booher announced in Washington late Monday afternoon that he had endorsed Frank Freytag for postmaster at St. Joseph, and that his nomination would be sent to the senate within the next few days. Mr. Freytag is well known in Nodaway county and has many friends here who are glad to hear of his selection. He is a brother of Mrs. John Sewell of this city.

Mr. Freytag is editor of the St. Joseph Observer, and has been Congressman Booher's campaign manager for the past eight years. He is a loyal Democrat and his selection will meet with the approval of the people. Thanks for the Papers.

We, the pastors of the churches cooperating in the missionary conference, wish to express our appreciation of the service rendered by the papers of our city. The conference was given "front page" publicity for two weeks previous to the time of the meeting, and we feel that the success thereof is in a large measure due to the good will and good work of our two papers. We therefore take this means of indicating our gratitude.

WRITES ABOUT J. R. BRINK.

What a St. Joseph Paper Says About Him Entering the Ranks of Educators.

The following is from today's St. Joseph Gazette:

We always suspected from the careful and uncomplaining manner in which our old friend and esteemed fellow co-worker in the task of looking into the future, J. R. Brink of merry Maryville, forecasted rain or snow when there chanced to be nothing but fair weather in the vicinity that he would one of these days ally himself quite naturally with the persevering teaching profession. And now J. R. has gone and done it. We are glad to see him entering the ranks of the educators, too, for there is where Brother Brink belongs. Didn't he for years train the men, matrons, maids and cigaret smokers of merry Maryville in the act of accepting whatever weather came along without making any unnecessary objections? Was he ever known to show exasperation when, after predicting that fair and warmer would be the climatic menu for the forthcoming twenty-four hours, a day and night of clouds and chilly weather resulted? No, J. R. is a jewel. He gave the Maryvillians the best weather that was to be had, and he didn't go around bragging when he hit it right in his forecasts, nor blaming the folks at Washington when they sent something he hadn't counted on. Sure he belongs in the ranks of pedagogy, and there's where he's gone. We look for him to be just as big a success at handling those Normal school students as he always was in taking care of a blizzard that came carroming along from the northwest, or a cold wave that squatted down on the Nodaway county cherry trees when May weather was what they needed. And if the future pedagogues and pedagoguesses at the State Normal of merry Maryville don't treat the new professor's professions with the respect and confidence which they deserve, we shall welcome Brother Brink back to the bosom of the weather busters, where he won his first spurs and a boot or two, too.

Bumped by a Basket Ball.

While watching a practice game of basket ball at the high school Tuesday morning Dean Everhart received a cut on one side of his head when the ball went through the glass door through which he was looking, a point of the broken glass puncturing a small artery. The flow of blood made his injury look much more serious than it was. He was rushed to a physician and was soon fixed up good as new. A screen will be placed over the glass door hereafter. Harry Siler, who was standing near Dean received a few slight cuts on his face.

ROBBERY AT CONCEPTION.

Hardware Store of E. L. Lewis Entered Monday Night and $20 Worth of Property Taken.

The hardware store of E. L. Lewis of Conception Junction was robbed of scissors, razors and pocket knives, Monday night to the value of $20. The back door of the store was broken open, access first being gained by breaking through the transom over the door. The thief climbed on a barrel that stood at the back door to effect entrance.

No clue to the robber or robbers has been found. A large number of tramps slept in a barn near Conception Junction Monday night, and it is supposed the thief was among them. Word of the robbery was telephoned to the railway police all along the line to St. Joseph.

The vicinity of Conception Junction has been infested with tramps for two weeks or more, and there has been much thieving going on.

BURIED AT ELMO.

Mrs. Emily Baker's Body Brought to Old Home for Burial From Nebraska.

The body of Mrs. Emily Baker, a sister of T. M. and J. D. Tudder of Elmo, was brought to Elmo Saturday for burial, from her home at North Bend, Neb., where she had lived the past five years. Her death occurred Thursday. Funeral services were held at 1 o'clock Saturday afternoon in the M. E. church, South, and burial took place in Lamar cemetery.

Mrs. Baker spent her early womanhood in the Elmo community. She was born in Platte county, Missouri. She is survived by her husband, four sons and three grandchildren. Her children are Benjamin Baker of Oklahoma City, Okla.; Albert Baker of St. Joseph, Joseph and Tib Baker of North Bend, Neb. Her brothers at Elmo are the only other relatives of her family.

GROUNDHOG SEES SHADOW.

Bright Sun Drives "Prophet" Back for Another Nap, and Winter Stays.

Mr. Groundhog came, and saw, and went back again to his hole on Monday, and now you better lay in your winter's coal.

If the groundhog sign counts for anything, this locality is to have six weeks of winter before spring opens—more by several weeks than it has had during the more than two winter months past.

So, with the coal man, some are saying: "He laughs best who laughs last!"

A light snowfall was had during Tuesday morning and the mercury went down to 10 above zero.

TO DO BRIDGE WORK

THE COUNTY WILL BUILD THEIR OWN BRIDGES.

WILL HAVE GREAT DEAL

Seven New Bridges to Be Built Soon, and It is Estimated $1,200 Will Be Saved Over Former Price.

The county court is going to do their own bridge work the coming year, or at least the erecting of all bridges except the high truss bridges. The court on Monday ordered the steel for seven bridges that are to be constructed about the first of May. Two of these bridges are to be 30 feet, two to be 28 feet, and three to be 20 feet, with 14-foot roadway. The material will be sent in April and work will start soon afterward, under the direction of County Highway Engineer John H. Clary.

According to former contract prices for bridges of this kind, the court estimates that they will save $1,200 on these bridges by this way. The bridges will have the concrete floor. These seven bridges are to be built in Jackson, Hughes, Atchison, Nodaway, Monroe and two in Polk. The steel was ordered from the Illinois Steel Bridge company of Kansas City.

The court in session Monday afternoon granted a pool hall license to Walter Bateman of Parnell.

The court also granted a permit to Glenn Ulmer for Otho Ulmer to build a telephone line for three-fourths of a mile east from the northwest corner of section 3, 65, 34, on the north line of said section.

The court will go over the township trustee's books today and Wednesday and will make the appointments probably on Thursday. There is a large list of applicants for court house janitor and county superintendent of the poor farm. R. G. Brummitt, the present superintendent, is not a candidate for re-election.

The Beattie Will Probated.

The will of John Beattie, who died a few weeks ago, was filed in probate court Tuesday. The will was written October 1, 1906, and was witnessed by Paul Sisson and George Robb Ellison. To two sons, William and John S. Beattie, and four daughters, Ella Jane Rose, Annie Jobe, Mary Rasco and Margaret Rasco, the sum of $1 is given to each. The remaining son, Thomas Beattie, is given all the rest and remainder of the estate. Arthur Rasco is named as executor.

Miss Lois Smith of Arkoe was shopping in Maryville Monday.

LAXATIVE FOR OLD PEOPLE—"CASCARETS"

Salts, Calomel and Pills Act on Liver and Bowels Like Pepper Acts in Nostrils—Danger!

Get a 10-cent box now.

Most old people must give to the bowels some regular help, else they suffer from constipation. The condition is perfectly natural. It is just as natural as it is for old people to walk slowly. For age is never so active as youth. The muscles are less elastic. And the bowels are muscles.

So all old people need Cascarets. One might as well refuse to aid weak eyes with glasses as to neglect this gentle aid to weak bowels. The bowels must be kept active. This is important at all ages, but never so much as at fifty.

Age is not a time for harsh physics. Youth may occasionally whip the bowels into activity. But a lash can't be used every day. What the bowels of the old need is a gentle and natural tonic. One that can be constantly used without harm. The only such tonic is Cascarets, and they cost only 10 cents per box at any drug store. They work while you sleep.—Advertisement.

Dr. and Mrs. E. L. Crowson of Pickering entertained at dinner Saturday the speakers at the farmers' institute on Saturday afternoon, Miss Hettie Anthony of Maryville and J. Kelley Wright of Columbia.

Announce Engagement.

Mr. and Mrs. W. G. Doyle, living five miles north of Maryville, announce the engagement of their daughter, Velma Grace, to Mr. Guy Don Aley. The wedding will take place at the home of the bride-elect's parents, Thursday, February 12.

The Music Club.

Mrs. Roy Collins was hostess Monday afternoon for the Music department of the Twentieth Century club. Miss Brownie Toel, vice chairman, conducted the business session, after which the following program was given:

Sketch, Life of Sherwood—Mrs. W. M. Wallis, Jr.

Piano selection, "Idyll," Sherwood—Miss Eleanor Smith.

Sketch, Life of DeKoven—Mrs. Glenn Goff.

Vocal selection, "A Winter Lullaby," DeKoven—Mrs. H. L. Raines, accompanied by Miss Smith.

Woman's Clubs as a Factor in the Advancement of Music—Mrs. Roy Collins.

Vocal selections, "Japanese Lullaby" and "The Ferry for Shadow Town," DeKoven—Mrs. Harry Todd, accompanied by Miss Smith.

Piano duet, "Xmas Dance," Sherwood—Misses Koch and Reuillard.

Vocal selection, "O Promise Me," DeKoven—Miss Jennie Garrett, accompanied by Mrs. Townsend.

After the program a social hour was enjoyed while the hostess served a cup of tea.

Renewed Old Friendships.

From the Deaver, Colorado, society columns of a few days past, we find gleanings of recent social events, complimentary to Mrs. Ferdinand Townsend of this city, who has recently returned from her visit there with her parents, Mr. and Mrs. Henry Bohm. One of the complimentary notices said: "Mrs. Ferdinand Townsend's arrival in Denver was the cause of activity in society. After the Christmas rush everyone seemed willing to settle down to hum-drum existence, broken only now and then with an occasional tango. With the coming of Mrs. Townsend, who, when she was Miss Lillian Bohm, was beloved by maids and matrons alike, the aspect changed and party after party had a place on the calendars of her friends. Her mother, Mrs. Henry Bohm, gave one of the most elaborate receptions of the season at El Jebel temple in her honor, where palms, ferns, Southern smilax and flowers of many hues were used for decoration. Six hundred maids and matrons called to meet Mrs. Townsend, and altogether was a brilliant assemblage. Then the other parties and bridge-luncheons by Mrs. James C. Burger, Mrs. E. L. Prentiss and Mrs. Roland G. Parvin, and other well known Denver hostesses, were all exceptionally attractive. At Mrs. Parvin's affair Mrs. Townsend shared the honors with Mrs. Walter G. Schaeffer, of Kansas City. It was given at the Denver Athletic Club." A theatre note in another issue was also of a kind that would be appreciated by Maryville friends of Mrs. Townsend. It reads: "The Broadway was packed from pit to dome last evening for "The Firefly." Mrs. Ferdinand Townsend of Maryville, Mo., looked as delicately beautiful as a cleverly wrought cameo in her seat in the John Good box. Her hair, which is the color of ripening wheat, was waived and coiled in Priscilla fashion. Her gown was of white, sparkling with crystals. Around her shoulders was thrown a wrap of deepest Killarney pink broadcloth trimmed with ermine. Miss Catherine Cramer wore a violet gown of the exact hue of the Parma violet. It was made along cleverly draped lines which gave a suggestion of the princess frock. The bodice was entirely of white lace."

Mrs. Townsend's visit in Denver was delightful in every way. During the horse show, where Mr. Townsend acted as a judge, when society affairs were comparatively quiet, she was the honor guest of two parties, one having 100 guests.

The Fete of Months.

The women of the City Federation made their most successful effort with the festival they gave, "The Fete of Months," in the Borrusch building Saturday afternoon and evening. They were almost overwhelmed with the patronage they received in the evening, and they were taxed to their utmost to serve all who came. They took in the handsome sum of $178.

The idea of the fete of months was given to the women by Miss Bertha Beal, who had attended such a festival on one of her trips in the south. The different clubs took up with the idea at once and it was indeed remarkable what was accomplished in the few days the women had to prepare for it.

The P. E. O. chapter had two booths, representing the months of January and September. The January booth was quite elaborate. One could easily imagine themselves in a fair snow palace, for it sparkled like diamonds over and all around, and you stood in crunching, sparkling snow when you went in for your lunch—if you were born in January—of baked beans, brown bread and waffles. The lights were hooded in pale blue shades, and the scene was just like a brilliant moonlight winter night. The tables wore lovely coverings of white and were lighted by pale blue candles in shades and the flowers were white narcissus. Mrs. M. G. Tate had charge here, and she was assisted by Miss Fannie Hope, Miss Nelle Conrad, Mrs. Arthur Leet and Mrs. O. C. Hanna. The September booth was elaborately hung with grape vines, laden with rich purple fruit. The interior was adorned with university pennants from almost everywhere, for this month is the beginning of the school year, you know. You had salad and wafers here, and Mrs. J. D. Richey, Mrs. J. C. Allender, Mrs. N. C. Covey, Mrs. Charles Wadley and Misses Hettie and May Anthony

The Mothers' Circle had three booths, February, October and December. The February booth was suggestive of St. Valentine's day, and was very pretty in its red and white hearts. Sandwiches and coffee were served here, with Mrs. W. H. Allen in charge. October was suggestive of All Hallowe'en, with its black cats, witches and jack-o'-lanterns. Lovely doughnuts and coffee were served here by Mrs. D. E. McDonald, Mrs. May Denny, Mrs. Eugene Ogden and Mrs. George Moore. The December booth was lovely in decorations of immense poinsettas, Christmas bells and green. The best of pie was served here by Mrs. Charles Gaugh, Mrs. L. L. Maier, Mrs. J. W. Herndon and Mrs. John Price.

The Music department of the Twentieth Century club, of which Mrs. Oliver K. Bovard is chairman, had the April and May booths in charge. The April booth consisted of open umbrellas suspended overhead, covered with powdered isinglass that looked for all the world like raindrops. Rubbers in all sizes, for the wee one in the family up to father, were arranged around ready for the first shower. Tea and wafers were served here by Misses Brownie Toel, May Corwin, Martha Koch, Marie Reuillard, Cecil Benight, Eleanor Smith, Mrs. Glenn Goff and Mrs. T. L. Wilderman. The May Booth was a delightful place. It was [illegible] wisteria vines in a perfect bower of [illegible] full bloom and Easter lilies. "Spring Maid Salad" and wafers were served here by Mrs. William Wallis, Jr., and her sister, Mrs. Walker Lee Campbell of Portland, and Miss Jennie Garrett.

The Tourists had a charming booth for March, which was made to represent "St. Patrick's day in the morning," with its decorations of green and white, the shamrock and other emblems making a place so realistic one wanted to greet the ladies there with a "top of the mornin' to you." Bouillon and wafers were served here by Mrs. W. H. Crawford, Mrs. Emmett Scott, Mrs. A. A. Brewer, Mrs. Earl Baker, Miss Helen Leffler, Miss Jessie Parcher, Mrs. S. G. Gillam and Mrs. Beal Roseberry.

June was a lovely pergola, instead of a booth. It was the real article, too. Morning glories climbing up white columns and baskets of red roses hanging from the vine covered cross beams. This was the idea of the Arts and Crafts department. You were invited to have some candy while you stopped to enjoy the breeze here on a perfect day in June. The hostesses were Mrs. George Richard Eaton, Mrs. Roy Collins, Mrs. J. F. Colby, Miss Rena Sturm and Miss Laura Barmann.

The July booth was attractively enclosed with bunting and flags and represented the Fourth of July. Ladies of the Shakespearean department served here. They were Miss Lenore Schumacher, Mrs. Ferdinand Townsend, Mrs. George Robert Eaton, Miss Della Grems, Mrs. Herbert Langsdorf, Mrs. Gallatin Craig, Mrs. J. S. Shinabargar, Mrs. L. E. White.

The August booth was a most inviting place for one who wanted to play or rest. There were hammocks and every suggestion for sport.

They were Misses Marie Brink and Clara Sturm, Mrs. Dale Bellows and Mrs. C. C. Hellmers. You were served a bottle of grape juice on a cut glass salver from a tennis racket. This was the booth of the general club, with Mrs. George P. Bellows as chaperon.

The M. I. Circle had the November booth, in which corn stalks and pumpkins and autumn leaves played a prominent part in the make-up. It was the most popular place of the evening, and every member seemed to be working. Hot waffles and maple syrup. [illegible]

The general reception committee for the fete was composed of Mrs. L. E. Dean, Mrs. R. L. McDougal, Mrs. J. F. Montgomery, Mrs. J. W. Ray, Mrs. E. B. Sheldon, Mrs. Frank Garrett, Mrs. J. D. Frank, Mrs. William Everhart, Mrs. F. P. Robinson, Mrs. J. B. Robinson, Mrs. Joseph Jackson, Jr., Mrs. G. L. Wilfley.

The ladies in charge of the checking booth for coats and hats for the gentlemen callers were Mrs. C. S. Jackson, Mrs. R. C. Benight, Mrs. Scribner Beech, Sr., Mrs. Scribner Beech, Jr., Mrs. J. A. Ford, Mrs. J. H. Gray, Mrs. J. A. Lesh, Mrs. Harry [illegible] ron Rhoades.

Words of Praise

For Mayr's Wonderful Stomach Remedy

"How thankful we are to you for getting a hold of your wonderful Remedy. My wife could not have had but a short time to live if she had not taken Mayr's Wonderful Remedy when she did. One more of those paroxysm pains she was having would have killed her without a doubt. Now she is free from all pain, free from heart trouble and free from that disturbing Neuralgia—all the results of five treatments—and the expulsion of five or six hundred Gall Stones. Now she is able to eat anything she wants and her appetite is good and before taking your medicine she had no appetite and when she ate anything she would suffer death for so doing and could not sleep at night; since taking your treatment she sleeps well all night long. **T. A. NEALL, Roanoke, Texas.**"

The above letter should convince you more than anything we could say in behalf of **Mayr's Wonderful Stomach Remedy.** Sufferers should try one dose of this Remedy—one dose should convince them that they can be restored to health. Nearly all Stomach Ailments are caused by the clogging of the intestinal tract with mucoid and catarrhal accretions allowing poisonous fluids into the Stomach and otherwise deranging the digestive system. **Mayr's Wonderful Stomach Remedy** painlessly removes these accretions without a surgical operation and puts an end to Colic Attacks, Gases in the Stomach and Intestines and all of the usual symptoms of Stomach, Liver and Intestinal Ailments. Ask your druggist about **Mayr's Wonderful Stomach Remedy** or send to Geo. H. Mayr, Mfg. Chemist, 154 Whiting St., Chicago, Ill., for free booklet on Stomach Ailments and many grateful letters from people who have been restored.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

We desire in this public way to express our grateful appreciation of the kindness shown us through the long sickness and at the time of the death of our dear wife and mother. To you who have helped us in any way to care for our dear one and to the great company whose presence at the funeral helped us to bear our loss, we are grateful beyond the power of expression. Especially to the Brotherhood of Owls, the Bricklayers' union and the young ladies' class of the Baptist church are we indebted for their attendance and loving regard at the time of the funeral.
